It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

### Booty Capitalism The Politics Of

The politics of the Philippines take place within a three-branch governmental system. The country is a democracy, led by a directly elected president who serves as both the head of state and the head of government.The president heads the executive branch, and has significant political powers.Presidents are limited to a single six-year term of office. The bicameral Congress serves as the ...

practical politics. The imperialist war has immensely accelerated and intensified the process of transformation of monopoly capitalism into state-monopoly capitalism. The monstrous oppression of the working people by the state, which is mer ging more and more with the all-powerful capitalist associations, is becoming increasingly monstrous.

### The State and Revolution - Marxists

I say this respectfully. Peterson missed the mark again. He botched this issue. Beauty is an opinion. And we all know opinions are like booty holes. Everyone has one and they all stink. The left doesn’t want to retool the notion of beauty. They want to retool the notion of health. They want to reclassify obesity as healthy.
