Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

Faux Birch Bark Paper

They will absorb the moisture and crumple up to create the knotted birch bark effect. Apply multiple coats until the wads/knots reach your desired level of darkness. Add ribbon and garnish to your bundle of logs & done! This faux birch log look is easy to achieve and a cheaper alternative to buying the actual thing.

How to Make DIY Faux Birch Logs - ToolBox Divas

These birch branches are also perfect for rustic curtain rods in your home or cottage. All of their wood products undergo a kiln dry process which sterilizes, wicks away moisture, and preserves the integrity of the bark. Each product is unique as this is a natural product and may not match the picture identically. Overall: 48" H x 1" W x 1" D

This DIY Birch Bark Candle Holder is perfect for any time of year and pretty inexpensive to make. I just love the rich earthy mixes of neutral whites, browns and textures. If you're looking for bark, be sure to use only what's naturally shedding on a live tree or what you find on a tree that has already died.
