On Truth Harry G Frankfurt

ON TRUTH is the sequel to Harry Frankfurt's bestseller, ON BULLSHIT. While ON BULLSHIT may have been cute and entertaining, ON TRUTH is a dense discussion of society's use and misuse of truth, honesty, and candor. Not at all humorous, it may qualify as the longest 90 minutes an audiobook listener may ever experience.

On Truth: Frankfurt, Harry G., Wilson, George ...

On Truth exists largely as a footnote to Harry G. Frankfurt's earlier work, On Bullshit. An excellent example of a concise, clear argument, On Bullshit was a brilliant essay on the subject of bullshitting - of communicating without any regard for truth. Bullshitters, Frankfurt argues, are distinct from liars, because liars at least know what the truth is, even though they choose to contradict it.

On Bullshit is a 2005 book by philosopher Harry G. Frankfurt which presents a theory of bullshit that defines the concept and analyzes the applications of bullshit in the context of communication. Frankfurt determines that bullshit is speech intended to persuade without regard for truth. The liar cares about the truth and attempts to hide it; the bullshitter doesn't care if what they say is true or false, but rather only cares whether their listener is persuaded. Frankfurt's philosophical ...

On Truth - Harry G. Frankfurt - Google Books

Frankfurt concludes that although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the practitioner's capacity to tell the truth in a way that lying does not. Liars at least acknowledge that it matters what is true. By virtue of this, Frankfurt writes, bullshit is a greater enemy of the truth than lies are.
