Translation History And Culture By

The most important and productive statements on the translation of literature from Roman times to the 1920s are collected in this book. Arranged thematically around the main topics which recur over the centuries - power, poetics, universe of discourse, language, education - it contains texts previously unavailable in English, and translated here for the first time from classical, Medieval, and ...

Translation/History/Culture | Taylor & Francis Group

new genres, new devices, and the history of translation is the history also of literary innovation, of the shaping power of one culture upon another. But rewriting can also repress innovation, distort and contain, and in an age of ever increasing manipulation of all kinds, the study of the manipulative processes of literature as exemplified by translation can help us towards a greater awareness

Translation, History, & Culture. The final example in the book, of the difficulties and challenges Milan Kundera's "The Joke" presented, illustrates how difficult it is for a translator to fully grasp the source language culture and to not betray the original cultur intentions. There is more to translation than a simple paraphrasing, especially where deeply cultural challenging literary works are the subject. Paraphrasing in line with cultural values of both anx and target culture is ...
